Data Sources: Arizona Department of  
Environmental Quality, Arizona Land Resources  
Information System, Arizona Department of  
Transportation, Image: Maricopa County 2004  
Projection: UTM, Nad 83, Meters

"Site boundaries depicted on the site map represent ADEQ's interpretation of data available at the time the map was constructed. The map is intended to provide the public with basic information as to the estimated geographic extent of known contamination as of the date of map production. The actual extent of contamination may be different. Therefore, the geographic boundaries for this site may change in the future as new information becomes available."
